

SEASON STANDINGS

Points are assigned for the runner's place in their age group each week. You must be present for all three races to win an End-Of-Season award. In the case of the 2 and 3 year olds, results from each heat were combined to get the places for each age group. Top 3 boys and girls in each age group will receive an End-Of-Season trophy. Points were assigned as follows: Ten points for 1st place, 9 points for second place, 8 points for 3rd place, etc. This pattern continues to 2 points. All participants receive one point for race completion. In the case of a tie in points at season's end, the participant with the lowest combined times will be the winner. All participants in the week 3 race will receive a race medal at the end of their race on 5/17. The award ceremony will be held after the last race. The standings are in alphabetical order by last name.
